

LOBBYING

K Street Calling

■ This chart shows the rise of former lawmakers registered as lobbyists from 1998-2007. In all, 218 former representatives and 51 former senators lobbied for some part of the last 10 years. The revolving door between Capitol Hill and K Street has turned faster in recent years, but a new two-year lobbying ban on former members that takes effect in January may slow it down a bit.
