Democrats and Republicans Agree: Mylan Practices Predatory, Call for Investigation

Mylan Price Hike Causes Call for Congressional Investigation

Congressional Outrage

- Mylan's recent price hikes have caught the attention of politicians
- Both Democrats and Republicans are now calling for an investigation into Mylan's pricing practices

Senator Amy Klobuchar (D-MN)

Senator Charles Grassley (R-IA)

Senator Richard Blumenthal (D-CT)

Senator Mark Warner (D-VA)

Senator Claire McCaskill (D-MO)

2016's Presidential Contenders Jump In

Senator Susan Collins (R-ME)

All in The Family

Senator Joe Manchin (D-WV)

Mylan CEO Heather Bresch

Mylan CEO, Heather Bresch, is daughter of West Virginia Senator Joe Manchin. The senator has not issued a statement

Senator Bernie Sanders (D-VT)

Dem. Nominee Hillary Clinton

Drug prices have been a major topic of discussion in the presidential election. Clinton, Trump and Sanders all targeted rising drug prices in their platforms. Sanders has since dropped out, but tweeted his disapproval of Mylan's practices. Hillary denounced Mylan on the campaign trail. Trump has not issued a statement
