# Trump Lays Out 10 Immigration Proposals

Donald Trump's 10-Point Immigration Plan
(1/2)

1. **Build a wall** along the southern border with surveillance and sensor technology, fortified with manpower.

2. **End "catch and release."** Detain anyone who crosses the border until they are deported.

3. **Zero tolerance for criminal aliens.** Triple the number of deportation officers and create a Deportation Task Force; remove all criminal aliens from the US (of which he claims there are 2 million.)

4. **Block funding for sanctuary cities** in an effort to eliminate laws that shield undocumented immigrants.

5. **Cancel Obama's executive orders giving amnesty** and fully enforce all immigration laws.

6. **Suspend issuing visas to any place we cannot adequately screen** including countries with refugees like Syria and Libya.

Trump's Immigration Proposals Include Technology and Reform

Donald Trump's 10-Point Immigration Plan

(2/2)

7. **Require other countries to take back their citizens** when they are deported. Some countries refuse to accept people back in such circumstance.

9. **Use E-Verify to the fullest extent**, expanding its use and prioritizing the deportation of aliens on welfare.

8. **Complete the biometric entry-exit visa tracking system** in an effort to eliminate Visa overstays.

10. **Reform legal immigration** to keep it legal immigration within historical norms and admit immigrants most likely to be financially self-sufficient.
