Outlook for the White House:

- **This week**, President Trump is in Bedminster, New Jersey. He left over the weekend to spend 17 days at his golf club there while the White House undergoes renovation
- The president has tweeted of the trip, “this is not a vacation – meetings and calls!”
- The White House has not published a schedule of the week ahead
- **Via Politico**: “The White House workspace hasn't been overhauled in more than 20 years. Fixing it is top of the agenda for a building-wide renovation blitz scheduled for the next two weeks, while President Donald Trump heads to his golf club in Bedminster, N.J.”
